

# LIFE IS BETTER CONNECTED!

## Small Group FAQs

**Q:** What is a Small Group?

**A:** A Small Group is ideally made up of 12 or so individuals who do life together while growing in faith by taking a deeper dive into the weekend's message, or various Bible Studies.

**Q:** Do I need to know anything about the Bible to be part of a Small Group?

**A:** No! One of the many wonderful things about gathering with others is that we are all at different spots on our spiritual journey and we learn with and from one another.

**Q:** I don't own a Bible. Will that be a problem?

**A:** Most likely you will need a Bible (physical or digital). If you do not have the means to get one, let us know and we will get one for you.

**Q:** Will I be expected to have the Small Group meet at my home?

**A:** Most groups meet at the same location each week, but if asked, you ALWAYS have the freedom to say no.

**Q:** May I bring my children to group with me?

**A:** That depends on the group — typically it is noted in the group description if children are welcome.
